

Dear Garden Designer

RHS Malvern Spring Festival Thursday 5 May – Sunday 8 May 2022

I am delighted to enclose application paperwork for staging a Show Garden at the RHS Malvern Spring Festival next year.

Over the last three and a half decades RHS Malvern has established itself as an inspirational showcase of all that is great about gardens, gardening and the outdoor lifestyle. It is rightly renowned for its' show gardens, fabulous floral displays and imaginative features. Over the years it has attracted all the great names in horticulture and food to its theatres, has provided spectacular entertainment, high quality shopping, great food, music and fun for all the family.

For 2022, we have decided to embrace a theme of 'Celebration' for the Festival. After recent times, many of us have recalibrated what is important, and our gardens and gardening have featured highly in getting many of us through some challenging times. RHS Malvern 2022 will be a true celebration of horticulture and how its many facets enrich our lives.

When working on your garden design concept you don't have to use the festival's theme but we thought it might help if you are stuck for inspiration.

Should you wish to apply for a space for a Show Garden please complete the application forms (attached) and return together with the required supporting documents by 26 November to jess.russell-perry@threecounties.co.uk

The RHS garden selection panel will assess your submission in beginning of December and we'll get back to you with panel's feedback.

If you have any questions or would like to discuss your application please do not hesitate to email jess.russell-perry@threecounties.co.uk

I very much look forward to hearing from you.

Jess Russell-Perry
Show Lead, RHS Malvern Spring Festival
