

RHS Malvern Spring Festival

9 – 12 May 2024

BROUGHT TO YOU BY

IN ASSOCIATION WITH

RHS MALVERN SPRING FESTIVAL 2024 BIOSECURITY POLICY & REGULATIONS

Anyone involved in RHS Malvern Spring Festival at the Three Counties Showground **MUST follow the RHS Shows Biosecurity Policy & Regulations**. This key document applies to **any** plants/plant material brought on-site (for sale, exhibition or planting/dressing purposes).

Please read the **RHS Shows Biosecurity Policy & Regulations** in full and refer to it when sourcing and selecting plants/plant material ahead of the Festival.

The RHS Biosecurity team carry-out plant health and compliance inspections 2 days before the Festival opens. If required, please provide relevant UK plant **passports and documentation**. Plants may be removed at the discretion of the RHS.

Environmental Note

PLASTIC/ARTIFICIAL plants and grasses are **prohibited** from the site for this Show. For further information regarding plastic use restrictions at the Festival please refer to the Exhibitor Manual pages 36, 37 & 48.

Navigating the RHS Shows Biosecurity Policy & Regulations document

- Banned plant species are listed under sections 1.3 first bullet point, 1.6 & 1.8
- Restricted plant species & specifications are listed under sections 1.3 second bullet point, 1.4, 1.5, 1.6 & 1.7.
- Plant passporting is covered under section 1.2.
